COAT SLEEVE

Measure customer with a jacket on: from inside sleeve seam under arm to break of wrist.

CHEST / OVERARM

*Chest: With measuring tape underneath arms, across shoulder blades and over largest part of chest.
*Overarm: Over largest portion of shoulder with jacket off.

WAIST / HIPS / OUTSEAM

*Waist: Just below belly button where a dress pant is usually worn.
*Hips: Across largest part of seat and thigh.
*Outseam: From bottom of waistband to just where the heel meets the sole of a shoe.

SLEEVE / NECK

*Sleeve: From center of top of back over shoulder and down to wrist.
*Neck: Around center of neck. Add a half inch to the measurement to ensure comfort.
